DANIELSON

Labelle Trophy Acknowledged—Donor invited to witness game with Norwich Free Academy at Webster Saturday—Gift of \$300 to Civic Federation—Borough Has a Circus—Three Fine for Trespass on Railroad Property.

The principal of the Bartlett High school at Webster has written the following letter to W. E. Labelle of Danville:

Webster, Mass.
Mr. W. E. Labelle, Danville, Conn.
Dear Sir: We have just received the splendid trophy which we are to have the privilege of holding for one year. May we express our great appreciation of your genuine kindness and enthusiastic interest in baseball.

We have the cup now on exhibition at the high school, and we plan to place it on public exhibition in Mr. Mason's drug store.

It is planned now that we shall play the second game of the series with the Norwich Free Academy team in Webster next Saturday afternoon at 3.30 o'clock. It would be gratifying to us if you could attend the Saturday game here as our guest.

Very truly yours,
(Signed) JAMES F. LOBBAN, Principal.

Mr. Labelle has accepted the invitation and will be a guest at the game.

GIFT OF \$300 TO THE CIVIC FEDERATION.
Generous Donation from A. Lockwood Danielson, Treasurer of the Quinebaug Company.

The Civic Federation has received a most generous gift of \$300 from A. Lockwood Danielson, treasurer of the Quinebaug company. When the first canvass was made to raise a fund for the support of a visiting nurse, J. A. Atwood, general manager of the Quinebaug company, after conferring with Mr. Danielson, said that if \$1,000 a year could be guaranteed for three years, the Quinebaug company, operating one of the largest cotton mills in eastern Connecticut, would contribute annually \$300.

This guarantee could not be secured, but, learning that the Civic Federation had raised, each year of the three since its organization, more than \$1,000, and being convinced of the value of the visiting nurse, Mr. Danielson went to the treasurer, Mrs. A. H. Armstrong, a check for the above mentioned amount.

Federation members have expressed their great appreciation of Mr. Danielson's generosity. This gift and the proceeds of the floral garden party given this week bring the amount in the treasury of the organization to something more than \$1,000.

The splendid service being maintained by the federation is constantly being understood by an ever-increasing number of persons. This service is not much talked of in the newspapers, but it is always effectively in force and is gradually being expanded.

CIRCUS DAY EVENTS.
Wild Animal Show Gives Satisfactory Parade and Two Good Performances.

From the north and from the east, from the south and from the west, those who would see a circus honored Danielson with their presence Thursday, when the first tent attraction of the season, the Cook & Wilson Circus, arrived in town. The circus, which has been in operation for many years, has a fine collection of wild animals and a large number of trained acts. The night officer, several enthusiastic small boys and one or two belated joy-riding parties, saw the train reached here at 3 a. m., which is short after daybreak in this section of the

land of steady habits. By 8 a. m. there was a considerable multitude to review the process of unloading the circus and to witness the appearance of the animals. The circus, which is the largest of its kind in the state, is a complete, self-contained unit. The show people properly carried out the day's routine of getting the tents up and the animals fed.

Self-appointed supervisors prided themselves on the fast that their watchful waiting was wholly responsible for getting the parade started on time, thereby putting something over on Norwich, and giving the spectators through their money's worth of that part of the show which really constitutes something for nothing. The parade threaded its way about town and got itself thoroughly reviewed by all the experts on circuses before arriving back on the grounds.

Danielson thought the parade was pretty fair for a dozen car show and on the strength of this gave up much money at the ticket wagon for the afternoon and evening performances. A real circus would get big money here. There were many very good features under the big top, some of the acts winning generous applause, and those who made up the audiences seemed to be thoroughly enjoying the entertainment. The circus got away from here early this morning for Putnam.

Local Interest in Fort Wright Order.
There was more than passing interest Thursday morning among local coast artillerymen in the news despatch announcing that the 134th company of coast artillery (regiment) at Fort Wright, Rhode Island, had been ordered to prepare for service on the Mexican border and that the command was ready to move. The orders to the 134th company duplicate one recently sent to the 16th, also at Fort Wright, where the Thirteenth company of this town is sent each year for its annual tour of duty and where it is now making ready to go next week.

The moving of the regulars, taken with the talk about calling out state troops, gives some of the local soldiers an impression that they may get more service than will be included in a ten days' stay in camp this summer.

Trespassing on Railroad Property.
In the town court three transients, charged with having trespassed on railroad property, were fined \$1 each by Judge W. F. Woodward, who they could not pay they were sent to jail.

Heard and Seen.
A quartette of local young men will sing at a church concert in Brooklyn this evening.

Mrs. John McGowan of Westley arrived here Thursday to spend the summer with her mother, Mrs. Michael Sullivan, of High street.

Harry W. Clarke, a patient at the Day Kimball hospital, is considered as improving satisfactorily after a severe attack of septic poisoning.

John B. Merrill of Pawtucket was a visitor with friends in Danielson on Thursday.

Every boat on Alexander's lake has been engaged for the opening of the fishing season on Saturday, July 1. The lake has been closed to fishermen for three years.

SUBSTITUTE FOR REFRIGERATOR INVENTED BY A DANE
Cold Water is Conducted Through Pipes in the Rear of the Box.

Copenhagen, June 15.—A substitute for refrigerators with real ice in them has been discovered by an inventive Dane, namely boxes cooled by water. His invention has proved so popular that in all the newer apartment houses the feature is being incorporated.

The iceless refrigerator is accomplished by so constructing the piping in the house that all the cold water is conducted through pipes at the rear of the box. Since on an average of a year a deal of cold water is drawn during the course of a day, the refrigerators stay fresh and cool.

Hartford.—The trustees of Trinity college are planning to add a course in military training to the college curriculum.

PUTNAM

Parochial School Graduation Plans.—Net Receipts from F. I. Production \$358.50 — Students' Jollification at Pomfret—Putnam N. S. Team Invited to Attend Bartlett-N. F. A. Game at Webster.

Thirteen members of St. Mary's parochial school are to be graduated, at 8 o'clock, to be held at St. Mary's church Sunday afternoon. The parochial school closes for the season today. At Sunday's exercises gold medals and diplomas will be presented to the graduates by Rev. Charles F. Beards, pastor of the parish, and who takes a great interest in the parochial school.

F. I. Presentation Netted \$358.50.
Treasurer G. Harold Gaudin of the Playground organization that presented F. I. at the Bradley theatre on Tuesday evening gave out Thursday that the net receipts amount to \$358.50. Of this amount the producers got one-half and the Playground organization one-half, \$179.25 for each. The work of equipping the playgrounds is to commence soon.

Pomfret Students' Jollification.
Thursday night at Pomfret the usual jubilation ceremonies marking the closing for the year of Pomfret school were carried out by the students. There was the usual bonfire, fireworks and all of the other features that each year mark the closing of the school to the people of Pomfret and surrounding towns.

Start on Eight New Houses.
Work on the construction of the eight new dwellings planned for by the Manassett Manufacturing company is to be commenced next week. These houses are to be of the ready cut kind, so their erection can be speedily brought about. The houses are to be erected near the plant of the company in the South Meadow street section of the city.

County Suffrage Conference.
Prominent suffragists from every section of Windham county are expected here tomorrow for the county conference that is to be held in Odd Fellows' hall. There will be state officers among the visitors and in their honor a reception is to be held at 5 p. m. The local league members have arranged for the entertainment of the visitors.

To Spend Vacation in Trade School.
All the boys who leave their routine school work today for what is the long summer vacation are not planning to spend their time idly, but are about town or in useless pastimes. Some of the boys from the grade schools are to enter the Trade school, which is to be in session through the summer season and are to follow what is known as the summer course.

Ready for Railroad Advertising.
At the New Haven station metal forms for the advertising that is later to appear on the building, as on other stations of the New Haven system, have been put in place. These forms are of what are known as one-sheet and three-sheet boards. Some have been placed on the north end of the station, others out under the train sheds.

Convenience Station Favored.
A convenience station is one of the things that has been suggested for the playground. Such a station would be greatly appreciated by many persons by many who come here from out of town to do shopping.

The walls of the new trade school building are now up to about the level of the top of the second story windows. At the rate of progress that is being made it is probable that the roof will be in course of construction about July 1.

Albert E. Luke, who was graduated last week from Worcester Polytechnic institute, has taken part in a Worcester concern. Mr. Luke was graduated with the degree of Bachelor of Science, his course of study having been mechanical engineering.

Lunched at Thompson.
Mrs. Helen M. Willey, Miss Ellen M. Wheelock, Putnam, and George Z. Taft, Uxbridge, were entertained at a luncheon Thursday at the home of Mrs. George W. Thompson.

Michael Carey and Addis Welch left Putnam Thursday for Bridgeport to attend the Moose state convention on Friday and Saturday. Arthur Andrews substituted for Miss Kenney at the library.

At Norwich Library Convention.
Miss Emma Kinney, librarian of the Putnam library, attended a meeting in Norwich Thursday of the Connecticut library association. Mr. Andrews substituted for Miss Kenney at the library.

Woman's Board of the Day-Kimball hospital will meet Wednesday afternoon in Odd Fellows' hall, Pomfret street.

The members of the W. R. C. met on Thursday afternoon with Mrs. M. E. Leach, Seward street, for a social gathering.

Invited to Webster Game.
Malcolm M. Willey, secretary of the Eastern Connecticut high school basketball league, today received a letter from James A. Lobban, principal of the Bartlett high school, Webster, inviting the members of the Putnam team to attend the Bartlett-Norwich Academy game in Webster next Saturday. This is the second game of the championship series.

Caught on the Fly.
Mrs. Little E. Leach of Seward street entertained members of A. G. Warner, W. R. C., at her home Thursday afternoon.

Members of different fraternal organizations of which he was a member will attend the funeral of ex-Mayor Edward Mullin.

Rev. Edward P. Garley, recently ordained at Little Rock, Ark., and who is to celebrate his first mass at Uxbridge next Sunday, has relatives in Putnam.

Special officers have been in this section the past few days on account of the need of keeping tabs on circus crowds.

Rev. William F. English of the Missionary society of Connecticut is to preach at the Congregational church Sunday.

There is to be a reception for Rev. W. L. Beard at the Congregational church.

LI YUAN HUNG NOW PRESIDENT OF CHINA

Li Yuan Hung, former vice president of China, who became president of China in succession to the late Yuan Shih Kai in the regular course of events, would remain in office until October of next year, when the term of five years for which Yuan Shih Kai was elected will expire.

Owing to the disturbed political conditions in China, however, his tenure of office is uncertain. Li Yuan Hung is reported to have been in sympathy with the rebel government, although little has been heard of his activities in recent months. The state department at Washington was advised on May 17 that he had been elected president of four succeeding provinces in southern China. Li Yuan Hung is fifty-two years old. He served on a cruiser during the Chino-Japanese war and later entered the army. After the abdication of the Manchus he was elected vice president of the republic and appointed chief of the general staff. He was made a general and in October of 1913 was reelected vice president.

BALTIC
Methodist Ladies' Aid Society Gives Successful Strawberry Supper—Winners in Athletic Contest.

The Ladies' Aid society of the Baltic Methodist Episcopal church held their annual strawberry festival in Sprague hall Wednesday evening. There was a large number present. The menu consisted of salads, cold meats, strawberries, coffee, cake and ice cream.
